Vision of Hope Luncheon Co-Chairpersons

July 1, 2019

Dear St. Lucy's Auxiliary to the Blind Member:

It's summertime! Have you seen any lightning bugs yet? Don't you just love watching the kids run around catching them or maybe you are joining in on the fun too?

Fun!? If you are looking for more fun, St. Lucy's Auxiliary has much to offer you. Grab your planner and keep reading this letter. There is a lot of upcoming fun that you'll want to schedule!

Narcisi Wine Tasting and Tour will be held on Tuesday, July 30 at 6:30 pm at La Casa Narcisi Winery located in Gibsonia, PA. This is a casual, co-ed, adult only/21+ evening. Bring your husband, son, neighbors, family, and friends for wine, live music, and food. Stop by on your way home from work and grab a bite to eat. Gather a group of friends to listen to music or socialize. We may even be able to catch lightning bugs together! Please RSVP directly to Barbara Eichenlaub by sending your payment on or before July 13. Details are on our website: www.stlucysauxiliary.org

Vision of Hope Luncheon will be held on Thursday, September 26 at Valley Brook Country Club. As you know, this is a not-to-be-missed luncheon. Our chairpersons and their committee members have been busy as bees (or possibly lightning bugs) over the past months gathering donations for auction baskets, purses, and surprises that you will love.

Fall Meeting and Junior Medallion Luncheon at the LeMont Restaurant on Saturday, October 19 will have us all admiring our beautiful city from on top of Pittsburgh's Mt. Washington neighborhood. There is no better view of our three rivers and skyline. The lights below will shine like, do I dare say it..... lightning bugs!

The 56th Medallion Ball at the Wyndham Grand on Friday, November 29 will be magical. No lightning bugs on this night. Only the light from the hearts of the medallion candidates, who dedicated hours of service to our communities, will be shining as they receive the Joan of Arc Medallion. Families and friends will be shining with pride too.

Enclosed with this letter is an opportunity to support the Medallion Ball and St. Lucy's Auxiliary so that we may make a positive difference in the lives of visually impaired persons. We are grateful for your consideration and generosity.

I look forward to seeing you soon, with or without a handful of lightning bugs!

With summer kindness,

Karen D. Boston
President-St. Lucy's Auxiliary to the Blind
